MARINE CSI LESSON ADAPTATIONS FOR COVID-19 CDC

Due to new and updated CDC guidelines for schools this fall, we have been diligent in adapting our lessons and activities to reflect our best practices moving forward. Below is a listing of all 35 of our lessons and how we can work together with staff and schools to provide the best quality education for our students. ****Please note: some of our lessons are not adaptable for social distancing or for COVID-19 cleaning guidelines. These lessons can be requested at the discretion of teachers and staff.**

K-1st Grade Lessons:

We Are All Connected

- ◆ Teachers are instructed to inform students to have their own art supplies, including magazines to cut pictures from prior to the lesson.
